

# The Declaration of Independence

September 28th 2025

When in the course of Human events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal station to which the Laws of Nature and of Natures God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

We hold these truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, It is the Right of the People to alter or abolish it, and to institute new Government, laying its foundation on such principles, and organising its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes, and accordingly all experience has shown, that mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and Usurpation, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these Colonies, and such is now the necessity which constrains them to alter their former Systems of Government. The History of the previous Kings and Queens of the United Kingdom, Great Britain and the Commonwealth of Australia having also adopted the title Queen of Australia and King of Australia is a History of repeated injuries and Usurpation, all having in direct Object the Establishment of an absolute Tyranny over these Colonies. To prove this, let facts be submitted to a candid World.

They have abdicated their thrones and their duties to the People and have instituted corporations impersonating governments such as the British Empire, Great Britain, Britain, United Kingdom, Commonwealth of Australia, Australia Inc., Commonwealth Government, Australian Government and Government of Australia, all permutations and variations including franchises at Federal, State and Local Government levels. These entities masquerading as our government and operating under conditions of deceit & treason.

The Foreign Principals primarily responsible for this, the British Government and Roman Municipal Government and the Government of Westminster operating as corporations calling themselves deceitful names such as Australia (Inc.), AUSTRALIA (INC.) and state-level franchises, like "the State of Victoria (Inc.)" and all local governments, never disclosing any of this to the living inhabitants of the land jurisdiction, the southern continent commonly known as Australia.

They have established Incorporated entities "Fictions", which cannot serve as a Sovereign Government as all incorporated entities are created by and owe their allegiance to a Sovereign Government, either directly by charter or indirectly by registration.

They are in gross Breach of Trust and blatant Fiduciary Trust Fraud, including peonage, personage, misrepresentation, identity theft and barratry.

The British Monarch has failed to perform their duty as Trustees on the High Seas and Navigable Inland waterways, instead attacked and victimised the trusting Australians. This egregious betrayal is a matter of international law.

They have controlled and manipulated the world economy.

They have refused to Assent Laws, the most wholesome and necessary for the public Good.

They have allowed Governors-General to be selected by self appointed Heads of State, at all levels of Government, Federal, State and Local to pass Laws in their Operation without their Assent being obtained;

They have allowed Statutory Legislation in place of Substantive Laws instituted against the accommodation of the People, unless those People would relinquish the Right of Representation in the Legislature, a Right inestimable to them, and formidable to Tyrants only.

They have called together Legislative Bodies at Places unusual, uncomfortable, and distant from the Depository of their public Records, for the sole Purpose of fatiguing them into Compliance with their Measures.

They have dissolved Representative Houses repeatedly, for opposing with manly Firmness their Invasions on the Rights of the People.

They have refused for a long Time, after such Dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the Dangers of Invasion from without, and Convulsions within.

They have endeavoured to prevent the natural Population of these States; for that Purpose obstructing the Laws for Naturalization of Foreigners and of Birthright, inherent Natural Rights; false claims of Foreign Citizenship and foreign citizenship obligations based on undisclosed adhesion contracts and equally undisclosed pledges.

They have instituted false claims of voluntary and consensual participation in foreign pension and taxation programs.

They have instituted false claims of consensual acceptance of land titles and descriptive addresses, illegal contracting processes including Third Party contracts, contracts with minors and purported incompetents, and raised the Conditions of new Appropriations of Lands under fraudulent copyright processes, misrepresentation, unlawful conversion, gross breach of trust and violation of commercial contract.

They have obstructed the Administration of Justice, by instituting Constitutions on behalf of the People establishing Judiciary Powers.

They have made Judges dependent on their Will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

They have erected Multitude of new Offices, and lent hither Swarms of Officers to harass our People, and eat out their Substance.

They have created and kept us in perpetual "War", using Standing Armies, without the consent of our Legislatures and excited domestic Insurrections amongst us.

They have affected to render the Military and Constabulary independent of and superior to the Civil Power.

They have combined with others to subject us to a foreign Jurisdiction and unacknowledged by our Laws; giving Assent to their Acts of pretended Legislation;

For quartering large Bodies of Armed Troops among us;

For protecting them, by mock Trial, from Punishment, Transgressions of Physical, Mental and Spiritual Harm, including Murders which they should commit on the Inhabitants of these Colonies;

For cutting off our Trade with all Parts of the World and selling off our natural resources including rare earth elements and selling off our Primary production and manufacturing assets:

For imposing Taxes on us without our Consent:

For depriving us, in many Cases, of the Benefits of Trial by Jury and Land Law and transporting us beyond Seas to be tried for pretended Offences:

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an arbitrary Government, and enlarging its Boundaries, so as to render it at once an Example and fit Instrument for introducing the fame absolute Rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and instead founding our Colonies on fictional Laws using the colour of law and fundamentally changing the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with the Power to legislate for us in all Cases whatsoever.

They have abdicated Government here, by declaring us out of their Protection and waging War against us.

They have plundered our Seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of All People.

They have transported large Armies of foreign and domestic Mercenaries to complete the Works of Death, Genocide, Heinous War crimes against Humanity, Transhuman Genome Modifications, Socially Engineered and

Manipulated the Guise of the Education System, Desolation, Tyranny and already begun with Circumstances of Cruelty and Perfidy, scarcely paralleled in the most barbarous Ages, and totally unworthy the Head of a civilized Nations.

They have been warned by the People, from time to time of attempts by their Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them many times of the right to self-determination and their crimes against humanity and disavow these Usurpations. They too have been deaf to the Voice of Justice.

We must, therefore, acquiesce in the Necessity, which denounces our Separation, and hold them, as we hold the rest of Mankind, Enemies in War, in Peace, Friends.

**We, therefore, the Representatives of The Victoria Assembly being part of The Australian States Assembly, having assembled and in session on Victoria on the southern continent, known as Australia, appeal to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, British Territorial, Roman Municipal and Foreign Corporations and that all political connection between them is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Trade and Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honour.**
